EXPERIENCE

French Horn & Mellophone

August 2019 - Present

I have played French Horn since my 6th grade year, 2019, and have played mellophone since my Freshman year, 2022. I have been a Varsity marcher since freshman year. I've played Horn in Concert I, Symphonic, and the Wind Ensemble.

Loading Crew Captain

May 2024 - May 2025

I was the leader of a 16-person loading crew with the Friendswood Band. I led the loading of props onto the band program's Semi-truck. Along with 3 other leaders and a Director, we loaded our truck without issue in major venues, such as the Alamo Dome, for State, and Lucas Oil Stadium, for Grand Nationals.

Equipment Crew Captain

July 2022 - Present

Beginning my freshman year, 2022, I have been a part of a crew and recently became captain for the 2025-2026 season of 3-4 students, where we set up vital equipment for daily band rehearsal use.

Social Officer

May 2025 - Present

I, along with 2 other students, help coordinate large-scale social events for the band program. Along with event planning, I helped with social issues inside the program and helped mediate menial issues throughout the band.

Section Leader

May 2025 - Present

Co-led a section of 18 students, ensuring consistent progress in musical performance and visual presentation. Organized and ran practice procedures that promoted discipline, teamwork, and efficiency. Upheld band standards by mentoring peers, fostering accountability, and encouraging excellence.

EDUCATION

Friendswood High School

August 2022 - Present

I have been a Friendswood High School Band and CTE Engineering student since my freshman year in 2022. I've maintained a 5.1/5.0 GPA with 5 AP classes taken, and I am an active member in the Engineering department, along with being a part of the

SKILLS

- AutoDesk Fusion 360
- Conflict management
- Coordinating social events
- Coachability

AWARDS

2x Friendswood Solo contest Semi-Finalist - I advanced through prelims into semi-finals both Freshman and Junior Year

2024 Area Audition - I successfully advanced through Area 17's region process into Area auditions.

AP Scholar with distinction - I received a 5 on AP Economics, 4 on AP Government, AP Physics 1, and AP Calculus AB, and a 3 on AP Environmental Science. These scores averaged out to be above a 3.5 average score, earning me official distinction from College Board.

Systems Go Rocketry class this academic year.
